At the top, there is a banner for "A.D.D. Journey Attention Deficit Disorder". Below the banner is a navigation menu with links for HOME PAGE, INVITE OTHERS TO JOIN, YOUR PROFILE, and LOG OFF. A welcome message reads: "Welcome, 'TestAcct', to ADD Journeys • status: full access member" and "Current Membership: 791". On the left side, there is a search bar and a vertical menu of buttons: MEET SARI, SARI's BLOG, CALENDAR, DISCUSSION forums, Watch & Listen, SHOP purchase Sari's books/CDs/classes, Meet & Greet, and Sari's Resources. The main content area has a heading "Welcome to ADDjourneys Online Community!!" and a photograph of three people standing in front of a brick building entrance labeled "Sari Solden, MS". Below the photo is a "Special Offers!" section with text: "For the FIRST 100 people to become yearly members: A Summer 2009 Seminar with Sari! Details to come!". On the right side, there is a section for "New to the Addjourneys Community? Click here for an Orientation" with a link and an image of books. Below that is an "Important Note" in red text: "Please click here if you participated as a member during our pre-launch period, which ended on Dec. 31st." and a link to "Check out this week's UnVeg with Reg Summary!".

Welcome to ADDJourneys.com! We are so thrilled to have you join us! Think of this site as your neighborhood Community Center - one filled with friends, resources, exciting events, and places to connect with one another for support and encouragement.

We encourage you to begin your membership with an introduction to Sari. Click on the MEET SARI button to watch a short video, learn about the goals of the site, and explore materials Sari has developed to help you start on your journey.

SARI's BLOG is one way to stay connected to powerful messages to help renew, support, and uplift you.

Wondering about upcoming events or programs? The CALENDAR button is your quick reference for that information. When you click on a program that interests you, there is the option of setting a reminder. Isn't that a great tool? You can have the site email you days, hours or even minutes before an event is to begin, ensuring you get there on time. 😊

An easy way to become involved in the site is to visit the DISCUSSION FORUMS. Going through this entrance will take you to a room filled with many topics of ongoing discussions, like ADD Tips, Employment Issues, Relationship Support, and many others! You are able to post a message to a discussion, begin your own thread, or send a private email to another member. Enjoy this area, and feel free to email the site administrator if you have any questions or concerns.

Do you ever find yourself wishing that you had a positive person sitting on your shoulder when you needed words of encouragement? Well, WATCH & LISTEN is the place to go! One click on this button and you have Sari sharing positive messages that will move you through your day! You also have access to Sari's presentations without the conference fees, hotel charges, and travel expenses! Enjoy Sari's messages from the comfort of your own home!

It is always fun to shop! The SHOP button will take you into an area where you can find books, CDs, special event tickets, and even gift cards for those you love. Shoppers can read excerpts from Sari's books and see reviews from other members as well as write one of their own. Sari will personally sign your products.

Materials for professional classes or conferences can be purchased at a discount! Enjoy this virtual store!

MEET & GREET is a fun area where Community Full-Access Members can share information about themselves, find answers to FAQ, develop individual webpage's, and post pictures to help us get to know each other. You can find other members, invite Community friends to a video or audio chat, and invite others to join. Have fun!

If you are looking for articles, videos, audio clips for download or other materials for support, Sari's RESOURCES is your go-to spot! This area is full of invaluable information (from recommended articles to upcoming events - both national and international) for your enjoyment, guidance, and education.

Check out the ANNOUNCEMENTS, which will always be on the right side of the page. Listed here are highlighted events, important reminders, and latest updates. Many times, a link is provided to take you right to the location of the information.

Thank you again for reviewing this brief Orientation to the website. Enjoy your stay and we hope to have you as a permanent member of this expanding, creative, enjoyable community!
